

Pathfinders: The Animal Totem Deck

Animals have come to mean a lot in the lives of humans, even though we hardly think about it. We use their names everyday for things like cars and music lyrics to sports team mascots. Animals have become symbols we look to for powerful attributes. These Totems have the ability to enhance our lives.

This deck takes a look at several dozen animals all over the Earth, great and small, and their unique, special qualities that we can call on to further explore ourselves. Using this deck, you can find ways to enrich your daily life as well as to learn more about the animals portrayed.
